

Event Title

CII Public Health Summit 4th Edition

Date and Venue

26th October 2023

Silver Oak, India Habitat Centre, Delhi

Details about NHA's participation

Shri Neel Ratan, Volunteer - NHA participated in the panel discussion on "Building Resilient Health Infrastructure: Challenges and Solutions" at the CII's Public Health Summit. Shri Neel's address highlighted Ayushman Bharat Digital mission (ABDM) as a digital public good with the potential of strengthening the Indian public health system and laying the foundation for India's strive towards inclusive healthcare: "One Health".

A stall was also set up that engaged 30+ individuals representing the Indian public health system. The team at the stall sensitized visitors to the benefits of Ayushman Bharat Health Account (ABHA), Healthcare Professionals Registry (HPR) and overall, an interoperable digital health ecosystem. The team also addressed visitors' queries around the building blocks of ABDM, and what's in it for healthcare professionals.
