Why Digital Health Incentive Scheme ?

Incentives for Digitization

All participating entities can reimburse the expenses incurred for digitization

Efficiency in Healthcare delivery

Seamless access to longitudinal health records, removes hassles in care seeking process

Builds Robust Healthcare ecosystem

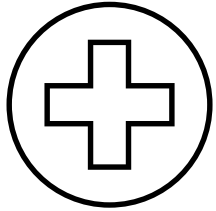

Helps build a robust healthcare ecosystem across different levels of healthcare facilities

Improved quality of healthcare

Evidence based, accessible care. Ease of access to digitized records and care delivery for patients

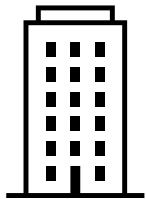

Eligibility Criteria

Health Facilities having 10 or more beds as provided in the Health Facility Registry

Laboratory/radiology diagnostics centers or by whatever name called

Entities providing ABDM enabled digital solutions (Digital Solution Companies)

Benefits will be provided to the health facilities only for transactions done by them above the base level of transactions (i.e. only the transactions above the threshold).

Salient features of the Incentive Policy

Healthcare Facility	Base Level Criteria	Incentives	Cost Incentives for Digital solution (HMIS and LMIS) Companies	
Hospitals with more than 10 beds	50 Transactions per bed per month	Rs 20 per additional transaction above the base level	For incentives claimed by hospitals/labs under DHIS using their software	25% of the corresponding incentive amount received by the eligible facilities
Diagnostic facilities/ Labs	500 Transactions per month	Rs 15 per additional transaction above the base level	For other Transactions by small clinics, nursing homes, health lockers, Teleconsultation platforms, small clinics etc.* (* Provided the transactions are more than 200 per month)	Rs 5 per Transaction

Salient features of the Incentive Policy

- Digital Solution Companies (DSCs) will be provided an incentive of 25% of the incentive amount received by the eligible health facilities using their digital solutions.
- For ABHA linked transactions done by facilities not eligible for direct incentives (Clinics/small hospitals/ health lockers/Teleconsultation platforms etc.), an incentive would be provided to Digital Solution Companies. It is expected that the benefits provided to the DSCs will help reduce the cost or will be further transferred to the concerned health facilities to cover their cost of digitization etc.
- DSCs which complete NABH/QCI or any other similar certification specified by NHA from time to time shall be eligible for 20% extra incentives including maximum incentive cap. Only facilities using NABH certified version of concerned HMIS will be provided this additional benefit.
